

ST. JOSEPH'S

RESIDENTIAL SCHOOL - CBSE

NEWS LETTER

AUGUST

SRIPERUMBUDUR

2024

Principal Message

Rev.Sr.K.Reeta Roseline

*" A child is like a butterfly in the wind
Some can fly higher than others;
But each one flies the best it can
Why compare one against the other
Each one is special - Each one is beautiful "*

Life is a journey and it is all about learning..... SJRS bestows holistic education, immense learning experiences and other academic quests through the most innovative and progressive ways. The students of our school are making their mark not only in academics but also in the field of sports, music, fine arts etc. Our endeavour is to maintain a perfect harmony between the school curriculum and the extra-curricular activities. **We truly believe that our education should now move from knowledge to skills and wisdom**, from competition to co-operation, from division to unity and finally from 'how to earn a livelihood' to 'how to live'.

We aim at making our students capable enough to be self-directed and self-managed individuals who can confront the challenges of life without wavering. Our children are not only taught to fly high in the open sky of tremendous opportunities but also to stay attached to their roots. Our school has now earned a brand name for itself, which is known far and wide for its quality education and grooming of young minds.

We strive to render a common learning platform where the students of all age groups, regardless of any challenges, are warmly welcomed and conscientiously supported to learn, contribute and participate in all aspects of life at school. We have an efficient team of special educators who cater to the special needs of the students and guide them to cope with mainstream education. The mentors at SJRS are competent, efficacious and informed communicators with a broad spectrum of interests. They are not mere instructors but learned and devoted Gurus that our students see in them role models with character, excellence and commitment.

Our school imparts value and skill based education bringing out the best in every child. We focus primarily on preparing our students to be worthy citizens, refined in heart and mind and skilled enough to achieve paramount goals. Our earnest effort is to provide a conducive learning environment to each and every student so that when they go out of the portals, they brim with confidence and emerge as the leaders of tomorrow.

Best Wishes!!!
